

Small Business Spotlight: Preventative legal advice can safeguard your business.

Why business owners aren't hiring attorneys:

51% don't hire an attorney because they believe it's too expensive.

39% believe finding the right attorney is too hard & takes too long.

Gambling with your business?

Only 14% of lawyers say most clients can avoid legal pitfalls on their own.

Just 21% of lawyers say most clients closely review contracts & business agreements.

Business lawyers provide peace of mind:

65% of lawyers say most small business clients could have **saved \$\$\$** hiring a lawyer sooner.

Yet, only 10% of lawyers say small business owners hire them to prevent legal missteps.

5 things a business lawyer can help with in **15 minutes or less.**
